IMIA

- IMIA er den eneste globale, videnskabelige sundhedsinformatik-organisation

Formål

- At promovere forskning i sundhedsinformatik og bioinformatik
- At fremme internationalt samarbejde
- At stimulere forskning, udvikling og uddannelse
- At fremme udveksling og udbredelse af information

www.imia.org

Formand, Medlemmer

Formand

- Reinhold Haux,
 - University of Braunschweig

Medlemmer

- Nationale selskaber
 - Akademiske
 - Virksomheder
 - Tilknyttede organisationer
-

Arbejdsgrupper

- Health and Medical Informatics Education (WG1).
 - Consumer Health Informatics (WG2)
 - Intelligent Data Analysis and Data Mining (WG 03)
 - Security in Health Information Systems (WG 04)
 - Primary Health Care Informatics (WG 05)
 - Medical Concept Representation (WG 06)
 - Biomedical Pattern Recognition (WG 07)
 - Mental Health Informatics (WG 08)
 - Health Informatics for Development (WG 09)
 - Health Information Systems (WG 10)
-

Arbejdsgrupper

- Dental Informatics (WG 11)
 - Organizational and Social Issues (WG 13).
 - Technology Assessment & Quality Development in Health Informatics (WG 15).
 - Standards in Health Care Informatics (WG 16)
 - Telematics in Health Care (WG 18).
 - Open Source Health Informatics
 - Nursing Informatics (Special Interest Group).
 - Informatics in Genomic Medicine (IGM)
 - Human Factors Engineering for Healthcare Informatics.
 - Smart Homes and Ambient Assisted Living
-

Arbejdsgrupper

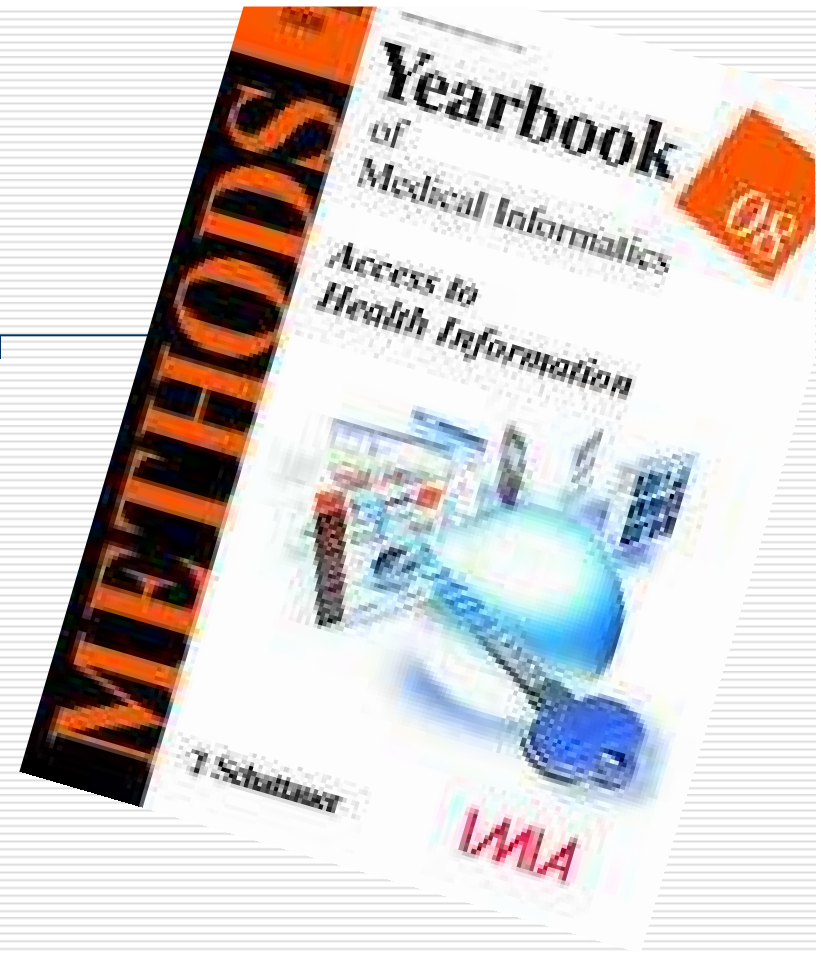

- ❑ Biomedical Pattern Recognition (WG 07)
 - ❑ Biomedical Statistics and Information Processing (WG 12)
 - ❑ Consumer Health Informatics (WG2)
 - ❑ Dental Informatics (WG 11)
 - ❑ Health and Medical Informatics Education (WG1) - CN
 - ❑ Health Informatics for Development (WG 09)
 - ❑ Health Information Systems (WG 10)
 - ❑ Human Factors Engineering for Healthcare Informatics - AAU
 - ❑ Informatics in Genomic Medicine (IGM)
 - ❑ Intelligent Data Analysis and Data Mining (WG 03)
 - ❑ Medical Concept Representation (WG 06)
-

Arbejdsgrupper

- ❑ [Mental Health Informatics \(WG 08\)](#)
 - ❑ [Open Source Health Informatics](#)
 - ❑ [Organizational and Social Issues \(WG 13\) - CN](#)
 - ❑ [Primary Health Care Informatics \(WG 05\)](#)
 - ❑ [Security in Health Information Systems \(WG 04\)](#)
 - ❑ [SIG NI Nursing Informatics - GS](#)
 - ❑ [Smart Homes and Ambient Assisted Living](#)
 - ❑ [Standards in Health Care Informatics \(WG 16\)](#)
 - ❑ [Technology Assessment & Quality Development in Health Informatics \(WG 15\) - JB](#)
 - ❑ [Telematics in Health Care \(WG 18\) - KBE](#)

Yearbook

- Oversigtsartikler
- Resumé
- Udvalgte artikler
- Information om IMIA

DSMI medlemmer kan (med pasord) læse den på www.schattauer.de

MEDINFO 2010

DSMI udvalget 2007:

- Ulrich Andersen
- Hrönn Sigurdardóttir
- Allan Kofoed-Enevoldsen
- Knut Bernstein
- Stig Kjær Andersen
- Karsten Niss

Copenhagen proposal to host

World Congress on Medical Informatics,
MEDINFO 2010

Ansøgning til MEDINFO

- Rotationssystemet forventes ændres
(besluttet på GA i november)
 - 6 regioner globalt
 - MEDINFO hvert andet år
 - Næste gang i Europa i 2013
 - DSMI er ansøger
 - Procedure (besluttet på Board møde i Maj)
 - Call i efteråret
 - Beslutning i 2010?
-

Ny ansøgning kræver...

- Fornyelse af udvalget
 - Sikre bred opbakning (DK, EFMI...)
 - Opdatering af ansøgning
 - Møder med Wonderful Copenhagen
 - Nye aftaler med Bellacenteret
 - Forbedret industri-involvering
 - Brede sponsorstøtte
 - Opdatering af budget
 - ... men grundlaget er godt
-

Welcome to Medinfo 2010

- Cape Town 13-16 september 2010
